

GRILLE HOUSE & SPORTS BAR

An innovative restaurant concept focused on providing value and entertainment for our guests.

Light up your financial future with the **DreamSpark™** plan!

Proven. Innovative. Reliable. Compliant.

Just as Arooga's Grille House and Sports Bar is changing the way America watches sporting events, you can change the way you fund your Arooga's franchise. Use your own retirement savings—tax-deferred and penalty-free!

How it works

Funds are rolled from existing retirement account such as an IRA/ 401(k) to new DreamSpark retirement plan

DreamSpark plan purchases shares in your newly formed corporation

C Corporation begins business/franchise operation using your investment as working capital

Advantages

- The DreamSpark plan is **tax-deferred and penalty-free**.
- Pay yourself a salary starting on day one!
- Fund operations, expansion or any legitimate business activity.
- You and your employees can enjoy the advantages of a traditional retirement savings plan.
- You select the investment company to manage your retirement funds not invested in your business.

Get started today!

Don't wait. You could have capital in your hands in 3 weeks or less.
